MEET AT: GOLD RIVER @ 6:00AM **SPACES OPEN:** LIMITED **COST:** \$232.50 PP (DBL. OCCUP)
LENGTH OF TRIP: 1/2 DAY (PLUS MOTEL IF YOU CHOOSE)

DETAILS: The Uchuck (a working freighter) leaves Gold River on Thursdays at 7am and arrives in Kyuquot at 5pm. (I spoke to a lady at a B&B in Kyuquot and she said the actual arrival time varies from 4pm to 9pm depending on how much freight is delivered) The trip takes you through Nootka Sound, up Tahsis Inlet and out to Esperanza Inlet to the Pacific and open ocean! From there you travel to Kyuquot Sound and end up at the settlement of Kyuquot which is located on the inside of Walters Island. Stops are made along the way to deliver freight to different remote locations. Kyuquot is a community of about 350 people and is home to the Checleset First Nation. When we arrive in Kyuquot we check into a B&B. We have until dark to walk some of the trails and around the harbour. The lady at the B&B I spoke to said there is a trail to a point where you can get good pictures of the pacific sunset. Our dinner at the B&B that evening is included in our package. So is a "make it yourself" breakfast the next morning. We leave Kyuquot on Friday morning at 8am and arrive back in Gold River at 5pm. I am suggesting everyone think about booking a room in Gold River for the Wednesday night. There is contact information for Gold River accomodations on the MV Uchuck website.

THIS TRIP IS BASED ON DOUBLE OCCUPANCY- AND EVERYONE IS RESPONSIBLE FOR BOOKING THEIR OWN PASSAGE ON THE UCHUCK AND MOTEL ROOMS. IF YOU NEED A PARTNER FOR THIS TRIP LET US KNOW AND WE WILL HELP OUT.
